Passages from "Panch." THINGS NOT GENERALLY KNOWN." That the natural element of Anchovies is oil.

That a butcher's shop in Paris is sometimes called an Hotel de Veal. The an ount of Champagne drunk by hireling Walters at an evening party.
Where one's pocket-handkerchiefs go to.

What becomes of the stamps received as change, in fleu of coppers, The ultimate destination of pins, needles, and clastic bands. Of 'Things not generally known," the best example would be 'The Laucers."

TOT HOMINES QUOT SENTENTIAL. Different people have different opinions; Some like ringlets and some like chignons.

The Word " Knight." Can any one tell me the origin of our term "knight?" The Latin equivalent simply meant horseman, and the German synonym is rather, a rider or horseman. So also the French cheva-tier, and the corresponding word in Spanish, Italian, etc., showing that the term had one signification originally in all languages save our own, namely, a horseman, or possessor of a horse for military purposes. But our term "knight" is so totally different from all the other corresponding appellations that it suggests the idea of a difference of meaning in our own language (in its original application) to that which it had with other nations. Querist.—(The name of knight, as an hono-rary title in England, is Anglo-Saxon, *onyht*, signifying puer, servus, or an attendant. Took derives it from enght; the past participle of enght-on, to knit, nectere, alagere, attacher, and thus signifying un attache, one attached connected with, bound to. Verstegan observes: "This tytle of right worshipful dignity was heretofore by our ancestors written cnink, and both in the high and low Germany by the name of knight (which a little they vary in the ortho-graphy) is understood a servant. It may seem he adds, "how our name of being with us of such esteem of worship, should the etymology thereof appear no more than loth. To resolve which difficulty I can judge no other, having no proof or pregnant reason otherwise to induce me, but that the name of knight must have begun to be a name of honor for their merits to be knights to the king, that is to be his own servants, or in some sort his offi-cers or retayners, and to ride with him."—On Decayed Intelligence, chapter x. In our instance we will continue to use the meaning of the German Knecht, in the knight of a shire, who serves Parliament for a particular county .- Notes

More of Jenkins. — In Petersburg! This storm-riddled town, this little battered hulk in a sea of wave-heaped intrenchments, where the guns of a great army have rained their deadliest, making the nornings perilous and the nights trail with nery bombs—even here, where the last and longest struggle for empire was maintained, Winfield Scott, our master-soldier,

was born.—N. Y. World.

Fine writing, Mr. World, but not a word of truth in it. Your master-soldier was born out the woods, on Stony creek, within a mile of Dinwiddle Court House, fourteen or fifteen miles from Petersburg.

THE DEAD HERO.—The Southern journals are not very happy in their allusions to the demise of General Scott. The Richmond Enquirer remarks:-"The papers of the North are sounding his eulogies. To the citizens of his mother State it belong only to repeat the proverb, De moriuis nil nisi bonum. Let him sleep in peace."

PROFOSALS FOR MATERIALS TO BE SUP-PLIED TO THE NAVY YARDS, UNDER THE COUNIZANCE OF THE BUREAU OF CON-STRUCTION AND REPAIR.

NAVY DEPARTMENT,
BUREAU OF CONSTRUCTION AND REPAIR
WASHINGTON, D. C., May 39, 1868
Scaled Proposals to Iurnish TIMBER and other
saterials for the Navy for the Seal year eading
une 30, 1867, will be received at this Bureau until
0 o'clock A, M, of the 28th of June next, at which
impe the proposals will be received. 10 o'clock A. M. of the 18th of June next, at which time the proposals will be opened.

The proposals must be addressed to the Chief of the Bureau of Construction and Repair, Navy Department, Washington, and must be endorsed 'Proposals for Timber, etc., for the Navy.'' that they may be distinguished from other business letters.

I rinted sche ules for any class, logether with mattections to bidders, giving the terms of proposal, of guarance, and of certificate of guaranters, will be surplished to such persons as desire to tid. on application to the commandants of the respective navy yards, and those of all the yards on application to the Commandant of each navy yard and the Purchasing Paymaster for each siat on will have a copy

chasing Faymaster for each staten will have a copy of the refredules of the other yards, for examination only, in order that persons who intend to bid may judge whether it is desirable to make application for

any of the classes of those yards.

The proposal must be for the whole of a class; and all applications for in crimation, or for the examination of semples, must be made to the Commandants of the respective yards. The proposal must be accompanied by a certificate from the Collector of Internal Revenue for the district in which the bidder resides, that he has a ficense to deal in the articles for which he proposes; and he must further show that he is a manufacturer of, or a regular dealer in, the articles which he offers to supply. The guarantors must be certified by the

of luternal Revenue for the district in The contract will be awarded to the person who

The contract will be awarded to the person who makes the lowest bid and gives the guarantee required by law, the Navy Dejaitment, however, reserving the right to reject the lowest bid, or any which it may deem exorbitant.

Sureties in the full amount will be required to sign the centract, and their responsibility must be certified to the satisfaction of the Navy Department. As auditional security twenty per centum will be withheld from the amount of the bil's until the contract shall have been completed, and eighty per centum of the amount of each bill, approved in tripicate by the Commandant of the respective yard, will be paid by the Paymaster of the station designated in the contract in funds or certificates, at the option of the Government, within ten days after the warrant for the same shall have been passed by the Secretary of the Treasury. Secretary of the Treasury.
